

Institutional Integrity Committee: Proposed Mission and Core Values

New Mission

Fullerton College advances student learning and achievement by developing clear pathways for students from our diverse communities who seek educational and career growth, certificates, associate degrees, and transfer. We build a supportive and inclusive environment for students to be successful learners, responsible leaders, and engaged community members. We dismantle oppressive institutional structures in order to achieve educational justice.

Core Value #1: Access

- **Diversity** – We embrace diversity in our community and work to build on the strengths and opportunities it brings. We recognize that diversity is intersectional with multiple dimensions.
- **Equity** – We commit to equity for all we serve by eliminating injustices and barriers to students' educational and career goals.
- **Inclusivity** – We design our planning and decision-making processes to include all stakeholders
- **Antiracism** - We recognize that institutional barriers based on perceived racial categories were erected over centuries and we commit to identifying and dismantling them.

Value #2: Community

- **Belonging** – We promote belonging and connection that fosters the well-being of those on our campus and surrounding areas.
- **Responsibility** – We accept our responsibility for the betterment of the world by identifying opportunities for leading our community to respond to local issues.
- **Respect** – We support an environment of mutual respect.
- **Compassion** - We attend to our students as whole people, identifying their changing needs personally, academically, and professionally. We adapt the institution in response to our shared understanding of who our students are and what they need.

Value #3: Learning

- **Growth** We create an environment where personal and professional growth is expected, supported, and rewarded for all members of our community.
- **Intellectual Curiosity** - We encourage each other to ask questions that drive further inquiry, research, and experimentation.
- **Excellence** – We hold ourselves accountable to high standards.
